

# MAKE LIGHT WORK OF REGULATORY CHANGE

Discover your unified middle-to-back office with real-time data processing in a single solution

Banks face **1** regulatory change every **12** minutes\*.

Treasury and risk teams are feeling the pressure.

The Basel III updates never end...

**SA-CCR SCRA**  
**NSFR LCR FRTB**  
**IRRBB ALMM**

...piling on tons of **complexity** and **challenging calculations**.

So, **responsibilities** for regulatory changes are shifting.

But report production also wastes the treasury's **time + expertise**

Headcounts are **at their limits**.

Margins are **shrinking**.

Efficiency is **a priority**.

## Good news!

We can spare you the details of regulatory change—by providing **automatic updates to your report templates**

**AND** automating all the resource-intensive monthly processes involved.

Based on our **market-leading ALM** system, FIS® Balance Sheet Manager (formerly Ambit Focus), trust our regulatory reporting service to deliver

**100% accuracy and compliance**

**Drill-down tools and analytics**

**All the underlying balance sheet data**

**Detailed audit trail**

Leave all the **complex changes and calculations** to us.

Significantly reduce time spent on **running reports**.

And focus on **running the bank** instead.

Are you ready to lighten the load of regulatory change?
